NORTH SHORE OBTAINS DTCC ELIGIBILITY

North Shore Uranium Ltd. (**TSX-V: NSU** | **OTCQB: NSURF**) ("**North Shore**" or the "**Company**") is pleased to report that the Company's common shares are eligible for delivery and depository services with the Depository Trust and Clearing Corporation (the "**DTCC**") to facilitate electronic settlement of transfers of its common shares in the United States. Securities that are eligible to be electronically cleared and settled through the DTCC are considered "DTCC eligible". This electronic method of clearing securities speeds up the receipt of stock and cash, thus accelerating the settlement process for investors while reducing transactional costs for participating stock brokerages. Investors can find the current Canadian financial disclosure of the Company on its profile on SEDAR+ at www.sedarplus.ca.

As announced on March 18, 2026, the Company's common shares trade on the Over-The-Counter QB Venture Market ("**OTCQB**") in the United States under the symbol "NSURF" on the OTCQB, in addition to its primary listing on the TSX Venture Exchange under its existing trading symbol "NSU".

ON BEHALF OF THE BOARD

Brooke Clements,
President, Chief Executive Officer and Director
